Project Demonstration Plan

Student: Ansh Shrivastava   Project: Global Electric Vehicle Market Intelligence Dashboard

Date: 28 October 2026   Team: Individual Project

Demo sections

• 1. Introduction and problem statement — 2 minutes — Ansh Shrivastava.

• 2. Dataset and metric definitions — 2 minutes — Ansh Shrivastava.

• 3. Overview dashboard and filters — 3 minutes — Ansh Shrivastava.

• 4. Battery, range, manufacturer, and geography views — 3 minutes — Ansh Shrivastava.

• 5. Validation, limitations, and future scope — 2 minutes — Ansh Shrivastava.

• 6. Questions — 3 minutes — Ansh Shrivastava.

Demo flow summary

Start with the user problem and project scope; explain data source and metric definitions; demonstrate completed views and filters; show validation evidence; discuss limitations; finish with questions. Adjust timing to the course requirement.

Evidence note: This is a project plan/documentation template. Add actual dataset source, screenshots, measured test results, and publication links only after completing and verifying the implementation.
